### IMPORTANT UPDATE

Dear Families,

The SRPMIC Child Care Development Fund (CCDF) Certificate Program continues to support our families during the COVID-19 pandemic. Our program has extended the period to subsidize family co-payments and fees. It was previously effective from Feb. 1, 2021, through Sept. 30, 2022. **We are now extending it one year further through September 30, 2023.**

- Your monthly family co-pay will continue to be paid by our program through September 30, 2023.
- Registration fees will continue to be covered on your behalf; this will also include any additional fees (except late fees).
- If your provider states you owe any amount during this time, contact Lisa Loya at 480-234-5426. There may be overages outside of the family co-pay portion.

Thank you for being an important part of our program. We wish you well. If you have any questions, contact Lisa Loya at 480-234-5426.

Respectfully,

The CCDF Certificate Team
