2) Monthly program information summaries

a) Health and Child Safety

The Health Services Team focused on transitioning children's health files for those who promoted to kindergarten, review health history forms for newly enrolled and returning children, and conduct an immunization review for newly enrolled and returning children. The Health Office Team also conducted multiple trainings for classroom staff. Staff received training in Basic First Aid, Common Childhood Illnesses and Health Conditions, Health Exams and Screenings, and Safe Sleep & Shaken Baby Prevention.

During the month of June, 9 children required a visit through the Health Office to return to school. Of those, no children required a doctor's note to return to care. In addition, 8 children were excluded and cleared to return to school when symptom free for a minimum of 24 hours. Of the total number of children who required to visit the Health Office, 88% of the children were excluded for fever (a temperature of more than 100.4). No contagious illnesses were reported in the month of June. One classroom had three children be sent home due to illness; however, after returning to care, no other children had a fever the rest of the month.

b) Child Education and Development

As part of the literacy program, children took home the book of the month and a family activity to enhance literacy in the home. Teachers compiled books that will focus on social emotional, math, alphabet knowledge, and friendship skills for the new program year. Lead and assistant teachers continued working their Teachstone online trainings. These self-paced modules will give a deeper understanding of the CLASS

assessment to enhance teacher/child interactions. The education specialist continues to review, lesson plans on a weekly basis.

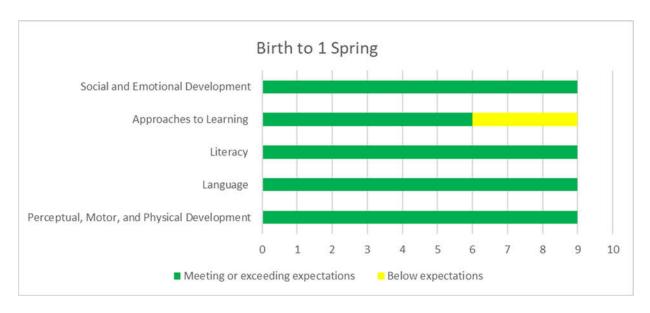

All staff participated in Mandated reporter training provided by family services coordinator. Lead and assistant teachers were trained on how to complete the ASQ child-screening tool. In addition, staff completed a series of health trainings including, basic first aid for the classroom, Shaken Baby Syndrome & Prevention; Safe Sleep Practices, Common childhood health conditions and HCPs, and Screenings, Exams and Follow-up.

Staff were training in active supervision where they learned strategies to implemented active supervision in the classroom and on the playground. ECEC curriculum expectations were revised and will be shared with teaching staff by their supervisors.

Teachers began completing family home visits/orientations to be completed before the program year begins. Extended day aides met weekly for a book study on conscious discipline. TSG and CLASS Data was analyzed and annual professional development planning occurred. Based on this data, a focus on implementing the curriculum to fidelity will take place in 2023/2024 program year. Teaching strategies will provide on-going trainings once a month for lead and assistant teachers while Aides and extended day aides will complete a series of child development training. Education specialist began annual PD draft to be reviewed with admin team in July.

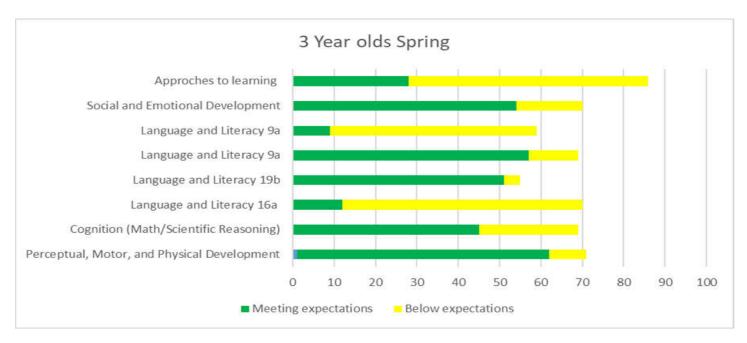

Preschool teachers continued to use studies from creative curriculum to drive child investigation and learning outcomes. Infants and toddlers used creative curriculum for infants and toddlers and two's used 2's resources.

During the month of June 2023, the BIC's provided training to staff on the ASQ SEII. Teaching staff reviewed the process and procedure of having parents complete this Social Emotional screening tool. The BIC's collect the ASQ-SEII's, scanning and logging the submissions and returning them to classroom teachers. The BIC's offered support to teachers who will share referral or monitoring information to the families from the ASQ-SE11 scores. The BIC's provided additional support to classrooms as they set up their safe spaces for the new school year. The BIC's reviewed and updated the ECEC Challenging Behavior process flow chart. The BIC's also prepared the documents and the schedule for the upcoming TPOT and TPITOS classroom observations which are scheduled for August. During June, the BIC's created the trainings for the ECEC pre-service week. The trainings include additions to the Classroom Structures series on the Safe Keeper Box and the Kindness tree. The BIC's finalized transcribing the submissions for the Reflections Walk and created a presentation to show staff the results. The BIC's continue to participate in the BEE's committee meetings and the Education Team meetings.

During the month of June, BIC's received 6 Behavior Incident Reports from classroom staff and started the process to consult with staff in order to support children and families. The BIC's also completed 1 consultation session with a guardian and offered one referral to Behavioral Health.

During the Month of June, Mesa Public Schools (MPS) Itinerant Staff were out due to MPS Contract and District summer break schedule. The ESS Staff on site at ECEC consisted of two contracted consultants: Speech and Language Therapist, Rebecca LaRussa, and Occupational Therapist, Kristina Smith. Both Kristina and Rebecca provided small group interactive play sessions and activities for the children and staff within both the Early Head Start and Head Start classrooms.

The current enrollment numbers for children identified ESS total 19: 3 children with an IFSP, and 16 with an IEP. In June, four new referrals using the MPS online system were processed for preschool aged children. Staff at the MPS Student Services office are out of office for summer break. Most registrars return on July 10, 2023. Scheduling of evaluations will be determined upon their return.

File set up and collection of documents for new incoming children previously found eligible for ESS Services has been ongoing throughout the month of June. This will continue as additional information is obtained and enrollment, orientation and Home Visits are completed with parents, families and the children.

Referrals & Supports for families: staff focused their efforts on helping families complete their enrollment packets, conduct Family Services orientations and complete billing paperwork. Staff met with families and had 178 out of 184 children having their enrollment orientations completed by the deadline.

Home Based: has 20 out of 20 spaces filled. Two socializations were hosted this month, a field trip to the Butterfly Wonderland and painting activity at ECEC. Home Based had a 88% completion rate of required visits Page **5** of **7**Monthly Report to EB & PC

for the month. Home Based staff assisted families with applying for Higher Ed services, enrolling in recreation swim lessons, assisting with employment applications, applying for child care services and coordinating home visits with teachers for newly accepted families.

Community resources: Family Services staff did a tour of new short term, emergency placement homes in the Community. Family Services coordinated with the LEARN Fatherhood program for their Men's Health events in the month of June. ECEC provided meals at one of their large events and staff attended their Men's Health expo spotlighting available Community resources. ECEC hosted the quarterly Early Childhood community partners meeting.

Staff training: Two Family Advocates completed their nine week Family Services Credential course. Family Services welcomed a new Family Advocate to our team. One Family Advocate completed the four day car seat technician training.

Enrollment reported for September of 2022 will be the first month that Office of Head Start will evaluate reports as part of the Full Enrollment Initiative*. OHS will focus on those who are significantly under enrolled (below 50% enrollment) and move toward engagement with other programs over the course of the next year.

June 2023 is our 8th month of under enrollment. We are at 100% enrolled for Head Start and 84% enrolled for early Head start. We need to open 2 Early Head Start Classrooms. We need to a hire a minimum of 7 Early Head Start staff to be able to open the classrooms.

*Full Enrollment Initiative: Grantees with four or more consecutive months of under enrollment in any Head Start and/or Early Head Start program will receive an Under enrollment Letter from the Regional Office. Grantees must develop, in collaboration with the Regional Office, a plan and timetable for reducing or eliminating under enrollment. The 12-month period for determining chronic under enrollment starts 10 calendar days from the date the under enrollment Letter is sent.
